Busan Global City Foundation

BGCF positions Busan as a global hub in these ways:

- Strengthening city diplomacy and global partnerships
- Promoting sustainable and inclusive growth
- Fostering citizen-led global initiatives
- Supporting international residents and students
- Enhancing global communication and media content

Together, we connect Busan to the world.

Busan Global City Foundation

Busan Global City Foundation is
a specialized public diplomacy and media organization
representing Busan as a global hub city,
committed to promoting
Busan's brand value to the world.

Busan: A City of Global Hub Excellence

Busan is a global hub that enhances international exchange and cooperation. With city diplomacy at its core, BGCF builds international ties and fosters cooperation, ensuring Busan stands proudly on the global stage.

- Busan Global City Forum
- Global Leaders Invitation Program
- Global Youth Ambassadors
- UN Weeks in Busan
- Busan-ASEAN Week

Busan: A City of Sustainable Growth

Busan is a city that promotes sustainable growth through international development cooperation. BGCF shares Busan's best policies and practices, expands Official Development Assistance (ODA) initiatives, and builds global partnerships.

- Busan ODA Incubation Projects
- Busan Global Training Program
- KOICA Global Training Program
- International Development Cooperation Support
- Global Competency Development Program

Busan: A City of Citizen-led Diplomacy

Busan is a city where citizens actively lead city diplomacy. BGCF strengthens international relationships by fostering cultural exchange and expanding global networks through various initiatives.

Eurasia City Diplomacy Delegation
Korea-China-Japan Children's Art Fair
Central Asia Friendship Cities Commemoration Project
Busan City Diplomacy Network
